Montreal, Can.

Dear Mr. Tremblay:

It seems good to hear from you, even though indirectly.

Mr. Renaud handed to me at the Convention the thirty medals of Jeanne d'Arc, and I want to thank you very much for these. We are indeed very glad to have them to add to our Cabinet and greatly appreciate the interest you evidence in our Museum.

It looks now as if our Convention may be held at Montreal next year; and if I am here, I shall take great pleasure in seeing you once again.

Very truly yours,

Curator
